Why Volta?

India's First mover **“ZERO COMMISSION”** Mobility app developed to add value to Cab Drivers , Business & Customers.

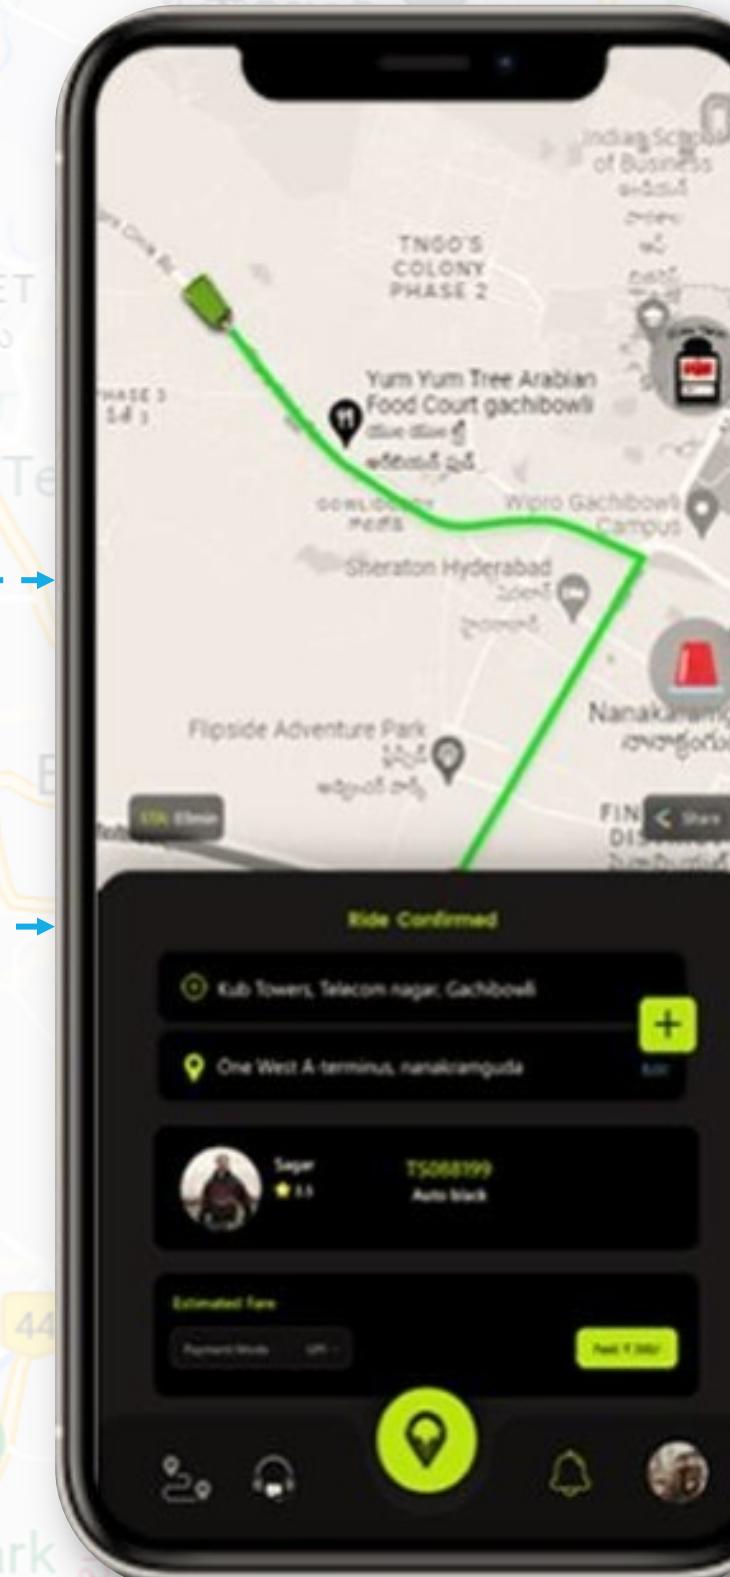

Zero Commission

We follow zero commissions policy. We do not charge anything to drivers or customers. No hidden charges & strings attached.

Eco Friendly

Small & effective step to reduce carbon footprint, we offer most eco friendly vehicles to transport you in total comfort.

Fair Deals

Our rides extremely affordable with no price surges, causing no hassles to our customers.

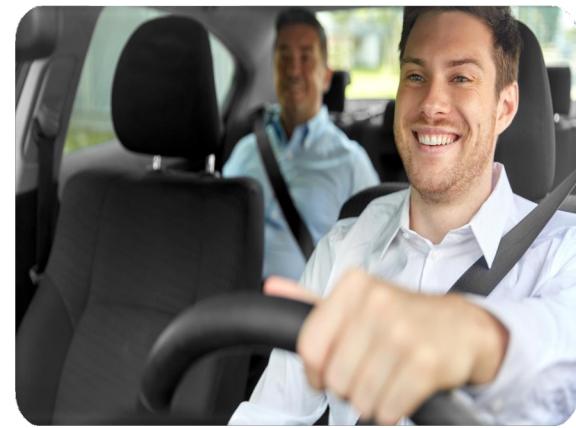

Zero Pressure

For users, no pressure of Surge amount and for driver no pressure of number of rides.

Who Volta is For

Our Target Users

Drivers

Individuals who own cars, Autos and Bike for the commercial usage.

Business

Any Business or Cab Service offered companies who own cars for the commercial usage.

Individuals

Any Person who is looking for a Safe, Affordable Cab Ride.

Why Drivers (Volta Captains) Choose us

India's First Driver Friendly **ZERO COMMISSION** Mobility APP

01

Zero Commission

We believe in Zero Commission and We understand the importance of various charges also on other platforms. So, We are focused on delivering "**ZERO COMMISSION**" platform for our cab drivers.

02

Zero Delays in Payment

We understand the need of instant money for our Volta Captains. So, we believe in Zero Delays in Payment. Ride payments directly goes from Passenger to the Drivers after each ride. No Hassles & No Strings attached.

03

Zero Pressure Rides

We have Zero Pressure Rides Policy. We understand the importance of breaks. Volta is fully-flexible! Drive whenever you want! Just switch to offline anytime you need a break.

04

Easy to Use & 24X7 Support.

We understand the importance of App usage & Technological knowledge for our Volta captains may be difficult. Volta has an intuitive user-friendly interface designed to make the process simple and easy to understand. We have 24X7 support for you.

Why Customers (Volta Stars) Choose us

India's **ZERO TRAVEL HASSLES** Mobility APP

01

Prices with no Surprises

As we are focused on delivering "**ZERO COMMISSION**" on our platform, it gives our customers lean fares with no hidden charges, Volta is free to download and use, with No fees and Surge Pricing. Customers Can go cashless with various modes of Payment options.

02

Safe & Secured

We follow the **Complete Secured** process followed for the complete background of Drivers as well. Both you and your shipments will travel with professional drivers. Always with the highest quality standards. Add a reliable contact to receive notifications every time you travel, share your real time location or contact emergencies.

03

No or Less Waiting Time

We understand the importance of Time while booking a ride. So, We have **No or less waiting time** on Volta. Our App is available both on Android & iOS. Free to use.

04

Easy to Use & 24X7 Support.

Volta has an intuitive user-friendly interface designed to make the process simple and easy to understand. We have **24X7 support** for you, We are always with our customers.

Why Business (Volta Partners) Choose us

India's First **ZERO COMMISSION** Mobility APP

01

Flexible Payments

We have **flexible payment options**. Pay after each ride or at the end of the month. Set a shared payment method for your entire team or an individual method per user. Download all invoices from your account and divide the trips with travel tags to see where your money is going.

02

Safe & Secured

We have the **safety measures** that your company deserves. Geolocated trips, an app prepared for any emergency during the trip, 24/7 attention, and much more. With Volta, comfort and safety go hand in hand.

03

Zero Denials

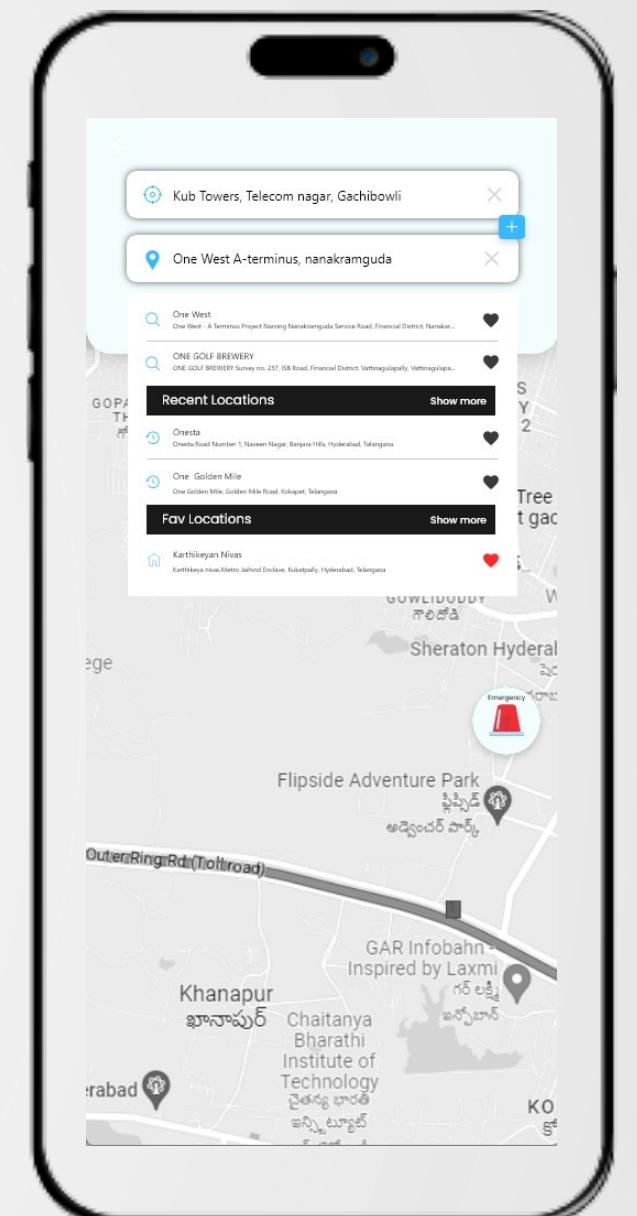

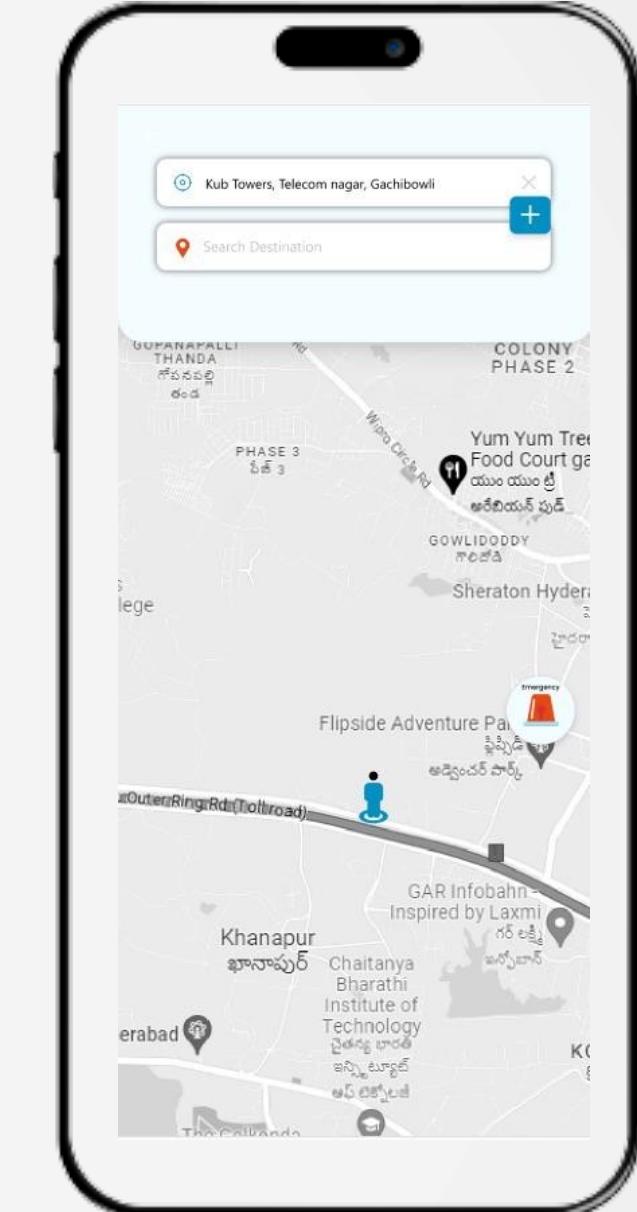

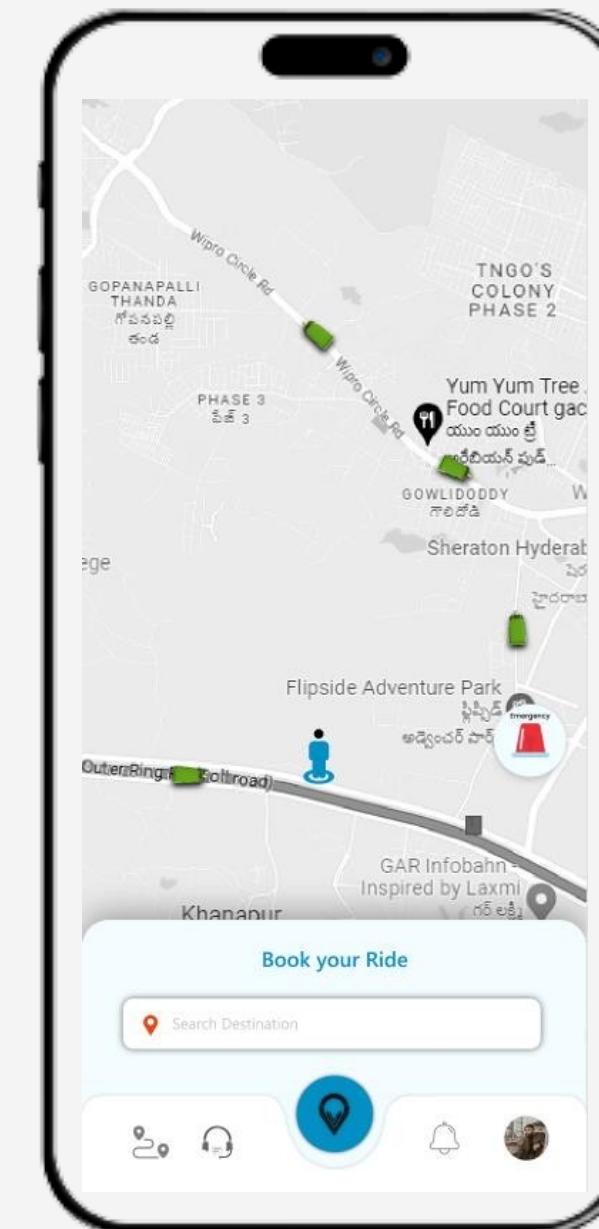

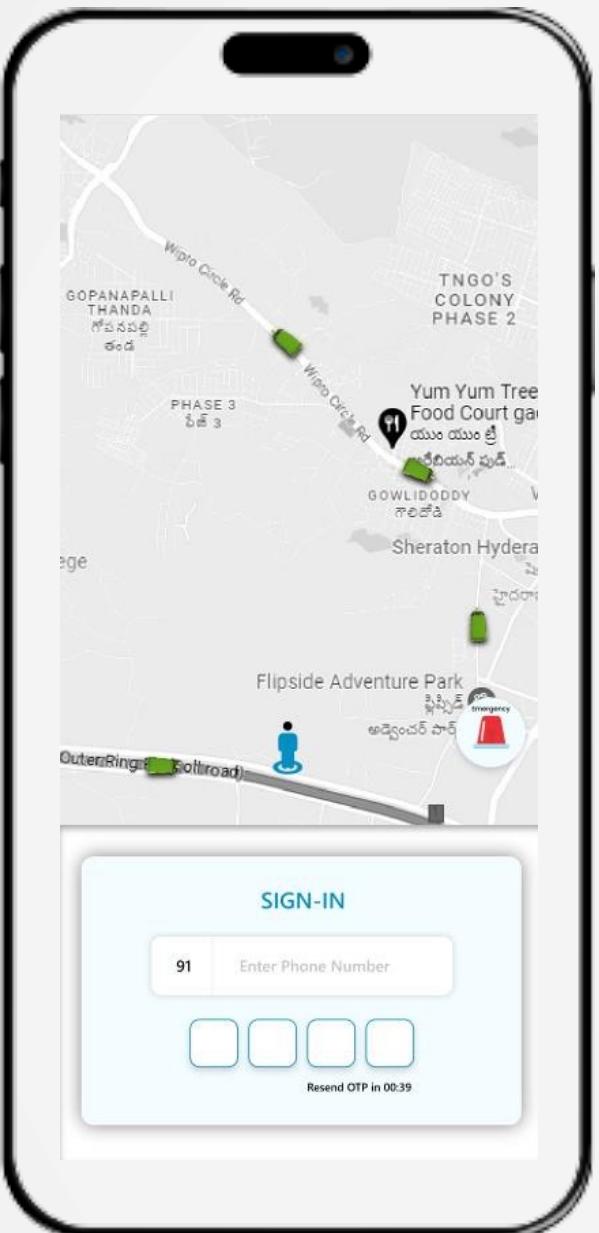

We follow a **Zero Denial** process for our business customers. You can depend on us; We are totally dependable. We are a reliable partner for your business mobility solution.
